## Recommendation letter

To Whom It May Concern,

I am delighted to recommend Ms. Arushi Kumari, a Diploma student in Mechanical Engineering at Gandhi Institute for Education & Technology, Odisha. During her time at our institute, Arushi consistently stood out for her strong technical grasp, creative problem-solving, and exceptional CAD modeling skills using AutoCAD and Fusion 360.

What sets her apart is her growing interest in Artificial Intelligence and automation, where she has shown remarkable curiosity and self-learning initiative. She integrates mechanical design principles with intelligent technologies — a rare and valuable combination. Arushi's dedication, discipline, and clarity of purpose make her an ideal candidate for advanced studies in AI Engineering.

I am confident that she will bring innovation and academic excellence to your institution.

Sincerely,

Er. Adarsh Deepak
